FORT MEIGS BUILDING

Bids Submitted for Erecting Care Takers House.

Bids have been received by the Ft. Meigs commission for the building of a care taker's house on the grounds, as follows: Henry E. Brown, \$3,252; E. A. Phillips, \$3,337.19; the Hankey Lumber company, \$3,388; A. B. Crips, \$3,503.17; Samuel Krauss, \$3,820. Brown being the lowest bidder, he will probably receive the contract.

Sees Mother Grow Young.

"It would be hard to overstate the wonderful change in my mother since she began to use Electric Bitters," writes Mrs. W. L. Gilpatrick of Danforth, Me. "Although past 70 she seems really to be growing young again. She suffered untold misery from dyspepsia for 20 years. At last she could neither eat, drink nor sleep. Doctors gave her up and all remedies failed till Electric Bitters worked such wonders for her health." They invigorate all vital organs, cure Liver and Kidney troubles, induce sleep, impart strength and appetite. Only 50c at C. P. Champney's drug store.

GREAT MILITARY SHOW

President Taft Is Greatly Interested In Its Success.

It is an open secret that President Taft, as well as the War Department, wishes the Military Tournament planned for Toledo July 4th to 10th, to be the most impressive affair of its kind ever held in the United States. The model encampment will be officially known as Camp William H. Taft, and the War Department proposes to make it truly an educational display.

Mr. G. B. Storer, Secretary of the Toledo Chamber of Commerce, recently visited the president, and at a conference in which prominent army officers were present, President Taft expressed himself very clearly on this subject, and gave verbal orders that everything possible in the way of equipment, from the Wright Bros. aeroplane downward, that could add to the success of the tournament, should be sent to Toledo.

The fact should be kept in mind that the Toledo Chamber of Commerce in securing this enormous show, is not doing it in a mercenary or money making spirit. There is not one penny of profit to be made for Toledo, but the Toledo Chamber of Commerce does guarantee an amount sufficient to cover the cost of bringing nearly 5,000 soldiers and equipment to Toledo for this event.

Should there be any profit, it will go to the Regular Army Relief, which cares for the education of the sons and daughters of deceased regular army officers and enlisted men.

Dyspepsia is America's curse. Burdock Blood Bitters conquers dyspepsia every time. It drives out impurities, tones the stomach, restores perfect digestion, normal weight, and good health.

BURNED TO A CRISP

Charred Body of Infant Found in Fire Box.

A sensation was caused in North Baltimore, this county, Monday by the finding of the dead body of an infant in the furnace of the boiler room at the electric light plant. It is thought that it was placed there between midnight and dawn yesterday morning as a low fire is run at that time and no one stays in the room.

The charred body was dragged out with cinders when the fireman cleaned out Monday afternoon. As yet suspicion points to no one. The child was about thirty-six hours old.

STRUCK BY TRAIN

But Escapes Without Receiving Any Serious Injuries.

Sunday afternoon Mrs. Peter Martin while on her way to church at Millbury was struck by train No. 6 and hurled a distance of 35 feet. That she was not instantly killed is marvelous. The train was stopped and Mrs. Martin was tenderly picked up and taken to Mr. Bailey's house and Dr. Diebert hastily summoned. So far as can be ascertained no bones are broken and while she is badly bruised her condition is not dangerous.

Bowel Complaint in Children.

When six months old the little daughter of E. N. Dewey, a well known merchant of Agnewville, Va., had an attack of cholera infantum. Chamberlain's Colic, Cholera and Diarrhoea Remedy was given and effected a complete cure. This remedy has proven very successful in cases of bowel complaint in children and when given according to the plain printed directions can be relied upon with perfect confidence. When reduced with water and sweetened it is pleasant to take, which is of great importance when a medicine must be given to young children. For sale by C. P. Champney.

BASE BALL BUDGET.

How the Blade Ball Team Won? a Game in Perrysburg.

"The Blade Printing and Paper company defeated the Perrysburg team in a one-sided game at Perrysburg yesterday by a score 10 to 1. The feature of the game was the fielding of Mast. Perrysburg used five twirlers."

The above article appeared in the Sunday Times and where they secured their information we are unable to say, but presume it originated from the futile brain of the so called Blade base ball team. We were not aware that there had been a game until the above article appeared in print, when inquiry elicited the fact that a team claiming to represent the Blade Printing Company had been here Saturday to play what was supposed to have been a game of ball.

How misleading and untruthful is the above article will readily be seen by the following facts—about the only ear-marks of truth being the statement that such a team was here ostensibly for the purpose of playing ball.

In the first place, they didn't play the regular Perrysburg team, but a bunch of hard-working boys from the National Wheel Works, many of whom don't pretend to be ball players.

Secondly, Eberly, who pitches for the Wheel team, went through the entire game and allowed the visitors but two measly little hits.

As to the features of the game, there were several, but the most striking was the inability of the printery representatives to exhibit any skill in any branches of the game and if this is any criterion of the article of ball they usually dispense then we do not wonder that they have to resort to these methods to win games.

The figures given in the score were correct in so far as they go only the result was 10 to 1 in favor of the Wheel Factory team and might have been made more one-sided but for the consideration the home team had for the feelings of their guests.

Perrysburg has a Kindergarten team that the Blade might succeed in getting a date with, providing they would promise to come so as to start the game early, that the little fellows might get home before dark, and we'll bet money the team that was here Saturday can't beat 'em—cept on paper.

Charles made one of his periodical trips to Vollmer's park, Sunday but rain interfered with the pleasures of the day and he was compelled to return home without the customary visit of the manager of the Waterville ball team, who had been in the habit of liquidating as an incentive to get him to appear in their lineup.

Reise was at Vollmer's park Sunday to inspect the ball ground with a view to locating there permanently. He failed to locate the financial part of the organization and paid for his own little pleasure trip.

We understand the Waterville team is contemplating signing up Sid Phillips and Southworth, two local base ball stars, who made such a good showing at the business men's game here last Wednesday.

It is reported that the management of the Roachton ball team has had scouts out watching Charles work in several games, with a view to drafting him into that organization this fall and he may finish there after the season closes at Waterville.

The "Perrysburg Sluggers," a junior organization, is now equipped with complete uniforms and some of youse kid teams had better look to your laurels.

Rain prevented the game scheduled here last Sunday between the Milos and home team, but they will try it again next Sunday and we hope with better success. The Milos have always had the "Indian sign" on the home guards but the boys are confident this year of wiping out the stigma of previous defeats and will go into the game with that determination.

HEINIOUS CRIME

Charged Against Man and Women By Young Girl.

Mrs. Della McCarty, of North Baltimore, and Fred J. Ebricht, of Arcadia, have been arrested by Marshal Skibbe at North Baltimore charged with very serious offenses against a North Baltimore girl who was only fifteen years old last Easter.

It is alleged that the woman lured the girl away and that the two were joined by Ebricht and another fellow last Friday night. Saturday night was spent, it is averred, at Ebricht's parents' home in Arcadia where it is alleged the offense against the young girl was committed.

The hearing of Ebricht will be held in Findlay as the offense was committed in Hancock county, while the woman will have her preliminary trial at North Baltimore.

COURT HOUSE NEWS

April Term of Court Nearing its End.

The case of Mitchell vs. Foster, tried in court last Friday, resulted in a verdict for Foster. Mitchell sued for \$300 damages, claiming his horse was frightened by a traction engine. The testimony showed that Foster stopped his engine as soon as he saw indications of possible excitement of the horse, and the jury held that the owner of the traction engine did all that was necessary and returned a verdict in his favor.

The case of Charles Krause against Albert J. Henry, for damages resulting from a horse trade, was the last jury case of the term and resulted in a disagreement. Krause claimed Henry beat him on a horse trade.

R. F. Baker of North Baltimore, appeared before Judge C. R. Nearing Saturday on the charge of running a place where liquor is sold. He waived examination and was bound over to the grand jury. He furnished bond and was released. This case is the result of the other one in which he was found guilty by Judge Nearing of selling liquor to H. S. Frambes, a detective in the employ of the anti-saloon league. For that offense Baker was fined \$100 and costs.

DEATH OF MRS. PHILLIPS.

Mrs. Alvin Phillips passed away Wednesday afternoon at her home three miles south of Perrysburg on the Witzler farm, after an illness of two years. She has been operated upon five times for cancer, the last operation being for a cancer on the lungs. The funeral was held from the residence at 9 o'clock Saturday morning.

She was about 45 years of age and leaves a husband and three children, two daughters (married) and one son who resides at home.

Deceased was a member of the Adventist church.

The family have resided in this locality for many years, and are well and favorably known, and many friends extend sympathy to them in their bereavement.

NOTICE.

We wish to notify parties who have been using the ball park for ball games without receiving permission from the proper authorities that unless the practice is discontinued they will be arrested for trespass.

PRIMARY ELECTION

Law Governing Nomination of Township and Village Officers.

J. N. Easley, clerk of the Wood county board of elections, has prepared the following summary of Primary Election Law, as the same relates to the nomination of candidates for township and municipal officers, and members of the school board:

Section 2. Candidates for all public elective offices of all voluntary political parties, which at the next preceding general election polled in the state or any district, county or subdivision thereof, or municipality, at least ten per centum of the entire vote cast therein, shall be nominated in such state, district, subdivision or municipality, in accordance with the provisions of this act, and persons not so nominated shall not be considered candidates and their names shall not be printed on the official ballot. But nothing in this act shall be construed to repeal the provisions of any act relating to the nomination of candidates for office by nomination papers, and no elector shall be disqualified from signing a petition for such nomination of candidates for office by nomination papers, because such elector voted at a primary provided for herein to nominate candidates to be voted for at the same election, or because such elector signed nomination papers for such primary.

Sec. 11. Primaries under the act to nominate candidates for township and municipal offices, and members of the school board, shall be held in each county at the usual polling places on the first Tuesday after the first Monday in September of the odd numbered years, (September 7th, 1909).

Sec. 14. At such primary elections the polls shall be opened between the hours of 5:30 a. m. and 5:30 p. m. Election boards shall have all the powers granted and perform all the duties imposed by the laws governing general elections.

Sec. 16. (As amended.) Nominations for places on the primary ballot shall be by nomination papers which shall be filed with the county board of elections at least twenty days before the day of holding the primary election. Such nomination papers shall be signed by two per cent of the party voters in the township, municipality, precinct, ward, school district or other political subdivision for which such nomination is to be made. The basis of percentage in each case shall be the vote of the party in said township, municipality, precinct, ward, school district or other political subdivision for Governor at the last preceding election for state officers.

Sec. 18. The names of the signers to any such nomination papers shall be signed in ink, each signer for himself.

Sec. 19. Each signer of a nomination paper may sign as many such papers as there are candidates for the office, but no more, and shall declare that he intends to support the candidate named therein; he shall add his residence and the date of signing; and shall be a bona fide resident of the territory within which the person desires to become a candidate.

Sec. 20. The affidavit of a qualified elector shall be appended to each such nomination paper.

Each candidate shall file with his nomination papers a declaration that he will qualify as such officer if nominated and elected.

Sec. 21. Objections to nomination papers may be filed not less than fifteen days before the day for holding the primary election.

Sec. 23. Separate tickets shall be provided for each political party entitled to participate in such primary.

Sec. 24. The regular judges and clerks of election shall be the judges and clerks of primary elections. There shall be separate poll books, tally sheets and ballot boxes provided for each party participating in the election.

Sec. 25. Each candidate is entitled to one challenger and one witness at each of the polling place.

Sec. 26. At such election only legally qualified electors or such as will be legally qualified electors at the next ensuing general election may vote, and all such electors may vote only in the election precinct where they reside, and it shall be the
